Volkswagen T2B Westfalia Campmobile, in excellent original, untouched condition with a great documented history. Beautiful interior in virtually unused condition. All accessories are present, such as the complete Campmobile Equipment ordered at the time of purchase.

The car has been perfectly maintained in all respects, with a verifiable original mileage of only 65,355. An extensive file is available with all documentation, such as the order form, the purchase invoice, 'Window Sticker', maintenance invoices and all original booklets. Even the instructions for use of the accessories are present and that makes this T2B very exceptional.

The factory paintwork shows hardly any signs of wear, the professionally cleaned bottom, chassis, chassis components as well as the floors and wheel arches reflect the unique untouched condition.

Optional, factory delivered with air conditioning, automatic transmission, front headrests, Realistic FM stereo cassette. Fitted with front disc brakes and power brakes as standard. All type plates, stickers and Westfalia emblems are still present.

The first Florida owner bought this car in 1973 from the local Volkswagen dealer and kept it until 2006!! The second owner, also from Florida, owned this car from 2006-2014. The car came to the Netherlands in 2014 and was put on a Dutch registration in 2015. The current Dutch owner has enjoyed this car for the past 6 years.
